NEW OHIO LAW ALERT!

STATEWIDE SMOKING BAN STARTS DECEMBER 7th

New NO SMOKING signs are required!

Ohio voters passed Issue 5 on Nov. 7, 2006, creating an indoor smoking ban under a new chapter of the Ohio Revised Code that will go into effect Dec. 7, 2006!

This new law will require "public places" and "places of employment" to be smoke-free and have all ashtrays and other smoking receptacles removed by December 7, 2006.

In addition, businesses and organizations must also post "No Smoking" signs that contain this additional verbiage: "To report violations call 1-866-559-OHIO (6446) in accordance with Chapter 3794 of the Ohio Revised Code. (See sign on left.)"

Revere has the signs for you!
